	Papamoia College bmiller@papamoiacollege.school.nz Brad Miller 021 155 9402	5 x Students 1 x Teacher

What does your event look like

Rangiuru Business Park is a greenfield development visible from the Tauranga Eastern Link Expressway in Papamoia.

We are constructing general roading in the area as well as completing piling, drain laying, MSC & MSE walls, onramps and a motorway overbridge. In June the bridge beams will be under construction in place.

This is a great opportunity to showcase the amazing women we have in our business, from a crane operator, apprentice drainlayer, geotech engineer, surveyor, drone operator, contract admin, TMS, machinery and general roading operators. These women have put their hands up to be present on the day working, showing off their skills and discussing their experiences in the industries both in a group setting and with one on one chats.

Time	Activity	Responsible Co Host / Connexis
