

Mahi ki Waho Start a Career Working Outdoors

Join our Tamatea Training & Workforce
Development Programme

You do the training, we'll find the mahi

Open to whānau of all ages and stages; rangatahi, school leavers, people wanting a career change, beneficiaries, or people returning to the workforce.

NZ Qualification

Learn practical skills to gain a NZ qualification and micro-credentials/certificates.

Employment

We'll work on finding employment for when you finish your training.

Care & Support

You'll be supported as you train and begin work; from job applications, to transport and PPE gear.

Kaupapa Māori Orientation

Start your learning at Huria Marae with an introduction to local history, tikanga Māori, and skills for when you start work.

With support from the Māori Trades and Training Fund (MTTF)

Call or text: 022 159 7734, Huria Office on 07 578 7838 or email pte@huriatrust.co.nz

TAMATEA TRAINING & WORKFORCE DEVELOPMENT PROGRAMME

Two options in 2024: Horticulture and Construction

TE MAHI Ā NUKU - HORTICULTURE

Work in the Taiao as a Kaitiaki Whenua

Grow your skills and experience working in the environment, with an emphasis on learning from an Ao Māori perspective. Train at Te Mahi ā Nuku hapū-based plant nursery and training facility in Judea, Tauranga.

Level 2/3 NZ Certificate in Horticulture from Land Based Training
26 weeks, Tuesday-Friday each week, FEES FREE

Course content: soils and fertilizers, safe use of agrichemicals, hazard control, plant propagation, plant identification, plant life & processes, monitor weather.

CONSTRUCTION

Build a Career in Construction

The Construction industry needs skilled workers. Train for 12 days at Huria Marae in Tauranga, then we'll help you find full-time employment.

Level 3 NZ Certificate in Construction Pre-Trade (High Work) from Vertical Horizonz
12 days + 338 hours of verified work experience, FEES FREE

Course content: Safety working at heights, safety harness system, scaffolding up to 5m, first aid, loading/unloading freight vehicles, operate a forklift, operate an Elevate Work Platform (EWP).

Multiple intakes for 2024, so contact us for a kōrero about your options
